Open house will be held this Sunday, October 7th, from 3 to 5 P.M. at the home of Mr. and Mrs. Wayne Peterson, 9 Winnatuxett Road, Mattapoisett, for area residents to meet the AFS student Uwe Meixner from Germany. All are welcome to attend.

Businessmen Organize

Sparked by a dinner hosted by Bob Carrier and Frank Sylvia and held at the Harbor Beach Club a few weeks ago Mattapoisett businessmen have started to formally organize into a group designed to benefit local business and the town in general. The original gathering at the Harbor Beach was held to generate support for an effort to install a sign on Route 195 to advise tourists of local services available to them. That meeting led to a discussion of a wider range of topics and disclosed an interest in a group. On Thursday, September 27th, a meeting was held in the conference room of the Mattapoisett Town Hall. The temporary chairman Mr. Arthur LeClair, Frank Sylvia and Bob Carrier, his committee; presided, and Mr. Richard Lagreze, owner of

Folco, manager of Folco Jewelry of New Bedford, was introduced as guest speaker and was very informative as he described the organization and activity of the North End Businessmen's Association of which he is past president and active member. While the interests of the city group are not comparable to those of Mattapoisett, Mr. Folco clearly outlined the benefit of a group effort in the solving of problems.

An outline of a proposed charter was handed out to the attending business people together with application forms for membership. A volunteer nominating committee was chosen and they were charged with the task of preparing a slate of officers and Board of Directors to be presented at the next meeting to be held in 2 weeks. It was suggested that this committee present a name for each office and that nominations also be open from the floor. Mr. Ozzie Gingras was named tempor-

In the discussion period of the meeting a number of possible goals were suggested and a proposal was made that regular meetings be held when something solid was ready for presentation in order to keep the meeting at a minimum for people who already had full schedules.

The nominating committee is presently working on a slate of candidates for office to present to the next meeting.

SUBSCRIPTION DRIVE

Emphasizing that in contrast to all of the other price increases, theirs remain the same as they have been for the past several years, the members of the Board of Directors of the Tri-County Music Association, Inc. have embarked on their annual subscription solicitation for patrons, sponsors and season ticket holders.

Sponsors of the Regional Symphonic Band, conducted by John R. Pandolfi, the Association already has presented its annual free children's concert and is arranging for the outstanding soloists for which their regular concerts have acquired an increasingly wide reputation. The concert dates for the 1973-74 season are: November 11, December 9 and March 3. All of these dates are Sundays this year and all of the concerts are given at Old Rochester Regional High School.

As Mattapoissett coordinator of the subscription drive that ends October 15th, Mrs. Kjeld Jensens notes that many people have contacted her and other local members of the board before

Bulldogs Triumph

OLD ROCHESTER BULLDOGS WIN 40-14

After a slow start marred by fumbles in
the first quarter, the Bulldogs of Old Ro-
chester managed to get together an of-
fensive attack and trounced Diman Voke
of Fall River 40 to 14 in a home game Satur-
day afternoon.

The first 6 points came early in the se-
cond quarter on a 26-yard run by Peter Nel-
son who ran well all afternoon for the Bull-
dogs. The try for 2 failed. The Bulldogs
struck again minutes later with Nelson again
taking it in on an 8-yard run. The 2-point
conversion try failed. Scoring ended in the
second quarter on a beautiful pass from Joe
Francoeur to Charlie Dennis for 6 points,
the play covering 54 yards. Again the 2-
point conversion try was no good.

A screen pass from Francoeur to Warren
Mott was good for 6 points in the third quar-

ter. This play covered 53 yards as a beauti-
ful screen formed around Mott. David Crowley
rushed from 1 yard to give the Bulldogs another
6 points in the 3rd quarter and then added 2

points for the conversion. The score at the end of the third quarter was 32 to 0.

In the 4th quarter Donald Rious of Diman Voke intercepted a Francoeur pass and ran 69 yards down the side line for Diman Voke's first 6 points of the afternoon. Later, a pass from Michael Donais to Wesley Martin, covering 44 yards, accounted for 6 more points. The 2-point conversion was a pass from Donais to David Garrant giving Diman Voke 14 points.

The final Bulldog points for the afternoon was a 20-yard run by Nelson and the 2 points on a rush by Mott. Final score, 40 to 14.

This Saturday Old Rochester plays host to Norton.

OPPOSE BEACH BILL

Selectmen sent a telegram to Senators Aylmer, Mendonca and Representative MacKenzie concerning a bill which would open beach property to the general public. The Selectmen stated that they vigorously oppose Bill S1924 because it usurps private rights, reduces tax revenue, causes enforcement problems and ecological damage.

FUND STREET SIGNS

The Department of Public Works has advised the town that Chapter 90 policy has been revised to allow purchase of street signs. They ask that street name signs be erected in all urban areas at all street intersections and should be erected in rural areas to identify important roads not otherwise marked.

The Board of Selectmen has sent the DPW request to Manuel Nunes, highway surveyor.

SCALLOP REGULATIONS

Selectmen approved new commercial scallop license regulations. Scallop licensing commenced October 1 with the same commercial limits as before. The license fee was increased from \$10.00 to \$15.00 and applicants must have been a resident for at least 6 months prior to taking the license.

OPPOSE BILL 1771

Selectmen wrote to Senator John Aylmer on
September 24th to oppose Bill 1771 for Col-
lective Bargaining for town employees because
they felt it would take fiscal control away
from the town, would cause higher costs and
disrupt public services.

Senator Aylmer replied on September 25th
to thank Selectmen for expressing their oppo-
sition on S1771 and for their expressed
support of the Police Incentive Pay Pro-
gram. The Senator said he concurred with
both positions and will support the Select-
men's request for action on both.

Letter to the Editor

We are extremely proud to be members of the new Mattapoisett Businessmen's Association. Thanks to the courage and foresight of men like Artie LeClair and Frank Sylvia, the small businessman in this town hopefully will have a voice in determining his future.

It is apparent to all of us as consumers, that this country, whose basic economic foundation is free enterprise, has alarmingly drifted away from this concept. We have all been made painfully aware lately of the control of a few in determining our economic future, apathy and a lack of concern for each other seems to be part of our problem.

Enlist in The British Army!

BRITISH (RED COAT) REGIMENT NOW FORMING

Captain Donald R. Bernard, Commanding Officer and organizer of the 4th Old Dartmouth Militia, Fort Phoenix Garrison (American Continentals) wishes to announce the formation of a new Colonial group to this area. This new company of Royal Troops will be known as the 64th Regiment of foot and will be affiliated with the parent 64th Regiment, British and Hessian Armies, Ltd. of White Plains, New York, Colonel Fred Wahl, commanding.

The purpose of this new company of Colonial British Troops is to provide an opposing force of "Red Coats" to Continental and Minuteman Troops in southern New England with respect to various battle re-enactments and pageants as well as other Colonial functions. Although working closely with and under the guidance of the 1st 64th Regiment of New York, this local company will operate for the most part independently and will focus on correctness in

attitude, discipline and bearing. Each recruit, after proper training, will be required to possess the ability to handle, fire and maintain a British "Brown Bess" musket (flint lock) and also qualify in the proficiency of close order drill (British Colonial style) as well as other soldierly functions.

The recreated 64th Regiment of foot of the Revolutionary War period of our history was the first such British unit to be formed in America. The regiment is structured just as a British Regiment was during that period, having a battalion or line company, a light infantry company, a grenadier company, a battalion artillery company, a color guard and a musician's company (fife and drum) having the correct reverse colors on the regimental coats.

The 64th regiment, nicknamed "Black Knots" in 1768, has re-enacted numerous battles, pageants and historic events on many of the original sites and each year helps re-enact the battles of Lexington, Concord, Bunker Hill, New Bedford - Fairhaven, the battle of Rhode Island and numerous other events in Connecticut, New York, Pennsylvania, Virginia, Michigan, Canada and many other pageants.

To qualify, a lad must have attained the age of fourteen years, with no maximum age limit set. The company will be in need of flag bearers.

Albatross?

Yes, Albatross. It's the new Mattapoisett Coffeehouse opening this Friday, October 5th. It's also Almitra with a new name and under new management. There'll be some good "foot stompin" music. So come along and bring a friend or two. There will be soda and coffee available. Enjoy yourself starting at 8 P.M.

Junior Grange

Mattapoisett Junior Grange held its last meeting of the quarter last Friday night with the worthy master Lauren Horne presiding.

A discussion was held on the advisability of changing the night for its meetings so as not to conflict with other youth activities. The value of the Junior Grange training covering so many things in the lives of these young people who are growing up is most important. Just from the ritual work they learn much in conducting a meeting, accepting committee reports, balloting, degree work, different forms of business, lecturer's

programs. In one paragraph of the ritual is the quote, "Thus may our Junior Grange prove truly a 'school out of school' to help you all to grow steadily toward true manhood and womanhood".

The Juniors decided and voted on the regular meeting nights, the 2nd and fourth Friday, at 7 P.M. Members will do their best to carry on the State and National programs. At the moment the Juniors have a great many projects which they have made being judged in Northboro by the State Grange. All Junior projects in the State will be judged by the State level. Those taking first place will be sent to the National Grange for more judging. Any youngster 5 to 14 years can join the Junior Grange and take part in this interesting work.

Under new business a financial report was given, checks were signed by the treasurer to pay the per capita tax to the State. It was also voted to send a check of \$5.00 to the heifer project. Deputy Wyman Hawkes who is in charge of the project says the money this year will go towards a herd of beef cattle for the Sioux Indians on the Rosebud Reservation in South Dakota. Mr. Hawkes has had charge of this for several years and makes a follow-up the next year or so. He has some splendid film he has taken and the Juniors hope to see some of it later.

The Master suggested the Juniors present a play and if it goes over well for the Juniors,

they plan to present it to the Subordinate Grange.

The next meeting will be held Friday, October 12th, at 7 P.M.

Marion 'Yard Sale'

Marion Mothers' Club will hold a "Yard Sale" Saturday, October 20th. Rain date will be Sunday, October 21st. The sale will be held from 10 A.M. to 5 P.M. at the residence of Dr. Edmund Wiker, 68 Pleasant Street, Marion.

Household goods, bric-a-brac, furniture, etc. donations are needed. Contact Mrs. Richard Jackson, 748-0378 to arrange for donations to be picked up or dropped off.

A special children's clothing corner will also be featured.

All proceeds will be applied to the Marion Mothers' Club annual scholarship for a deserving Marion student attending Old Rochester Regional High School.

STUDDS TOLD AIR FORCE RECONSIDERING BEAGLE PUP EXPERIMENT

Rep. Gerry E. Studds, D-Mass., last week was informed by the Air Force that the decision to use 200 beagle puppies in a potentially deadly experiment "is currently under reevaluation by the Air Force".

Studds, who wrote to Secretary of the Air Force John L. McLucas last week to protest the experiments, said he had been informed by telephone that "the Air Force is now taking a long, hard second look at what an Air Force spokesman called, 'the entire issue'".

"I had asked the Air Force Secretary to re-study the need for these experiments and the reason for using beagle puppies which would be forced to breathe highly polluted fumes from various gaseous products," Studds said following the telephone conversation.

"We had initially been told the experiments would begin 'sometime in November' after the puppies has first been operated upon to re-

LARGEST ENTERING CLASS AT ACADEMY

A total of 254 freshmen are enrolled at the
Massachusetts Maritime Academy making the
largest entering class in history, Rear Admiral

In the Academy's expanding program in marine

the total student enrollment will be close to

Classes began Monday, October 1, for the

Admiral Harrington said the Academy plans call
for an enrollment of seven hundred by Sep-
